# PUPPY

WET FOOD FOR PUPPIES  
(BEEF, LAMB, TURKEY)

## Indications

Raw Paleo Puppy is a complete and balanced maintenance food designed for growing dogs from the moment of weaning until maturity (approximately age 1 year). The food also meets the dietary requirements of pregnant and feeding bitches. It is completely grain-free and based on a single protein source, which means that all animal-derived ingredients come from beef.

Can: 400 g

## COMPOSITION

- Beef and beef offal 70%
- Beef broth 28.7%
- Minerals 1%
- Sunflower oil 0.2%
- Eggshell powder 0.1%

### Ingredient analysis:

- Protein 10.7%
- Fat 6.9%
- Crude ash 2.0%
- Crude fiber 0.3%
- Moisture 75%

## ADDITIVES

- Vitamin D3 200 IU
- Zinc (zinc chelate of glycine hydrate) 25 mg
- Manganese (manganese (II) sulfate monohydrate) 1.4 mg
- Iodine (calcium iodate anhydrous) 0.75 mg

## Indications

Raw Paleo Puppy is a complete and balanced maintenance food designed for growing dogs from the moment of weaning until maturity (approximately age 1 year). The food also meets the dietary requirements of pregnant and feeding bitches. It is completely grain-free and based on a single protein source, which means that all animal-derived ingredients come from lamb.

Can: 400 g

## COMPOSITION

- Lamb and lamb offal 70%
- Lamb broth 28.7%
- Minerals 1%
- Linseed oil 0.2%
- Eggshell powder 0.1%

### Ingredient analysis:

- Protein 10.6%
- Fat 6.9%
- Crude ash 2.10%
- Crude fiber 0.3%
- Moisture 75%

## ADDITIVES

- Vitamin D3 200 IU
- Zinc (zinc chelate of glycine hydrate) 25 mg
- Manganese (manganese (II) sulfate monohydrate) 1.4 mg
- Iodine (calcium iodate anhydrous) 0.75 mg

## Indications

Raw Paleo Puppy is a complete and balanced maintenance food designed for growing dogs from the moment of weaning until maturity (approximately age 1 year). The food also meets the dietary requirements of pregnant and feeding bitches. It is completely grain-free and based on a single protein source, which means that all animal-derived ingredients come from turkey.

Can: 400 g

*One can (400g) of Raw Paleo Turkey wet food for puppies is equivalent to 110 g of Raw Paleo dry food for puppies.*

## COMPOSITION

- Turkey and turkey offal 70%
- Turkey broth 28.7%
- Minerals 1%
- Salmon oil 0.2%
- Eggshell powder 0.1%

### Ingredient analysis:

- Protein 10.3%
- Fat 5.3%
- Crude ash 2.50%
- Crude fiber 0.30%
- Moisture 78%

## ADDITIVES

- Vitamin D3 200 IU
- Zinc (zinc chelate of glycine hydrate) 25 mg
- Manganese (manganese (II) sulfate monohydrate) 1.4 mg
- Iodine (calcium iodate anhydrous) 0.75 mg
- Copper (copper sulfate pentahydrate) 1 mg

# ADULT

WET FOOD FOR ADULT DOGS  
(BEEF, LAMB, TURKEY)

## Indications

Raw Paleo Adult is a complete and balanced maintenance food designed for adult dogs from maturity until age 5 (large breeds) or 6 (small breeds). # WE WON THE INNOVATION AWARD 2018

---

For more than 10 years, we have created high-quality diagnostic tests, care products, veterinary diets, and nutraceuticals, chosen by thousands of veterinary doctors, breeders, and animal owners in more than 20 countries around the world. The high quality and efficacy of our products have been recognized and rewarded by veterinary doctors and owners alike.

Another token of recognition for our achievements came in the form of the Innovation Award 2018. The Polish prize is a program that aims to reward entities active in the Polish market, which stand out for innovation and commitment to research and development.
